# THE RULES

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members, and must not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT registry. If an exhibitor is found to be in violation of this policy, entry will be disqualified and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.
3. Entries MUST be within the 10-15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months of age) are not eligible for a championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season will be refunded with a veterinarian certificate, or as otherwise agreed upon by the Trial Chairperson.
6. Spayed or neutered terriers may compete in Miscellaneous Conformation. They may not compete in Puppy, Breeder's/Family, Open or Working Conformation.
7. A terrier bred by a sanctioned JRTCA Judge may not be shown under that Judge in the Conformation Division.
8. Terriers owned or co-owned by the Trial Chairperson, or any member of their household, may not be entered in any phase of the competition, with the exception of Child and Youth Handling classes. If an Affiliate sponsored trial is chaired by Committee, all on the Committee may enter their Terriers in any phase of the competition.
9. Terriers owned by Judges may not be entered in the division in which they are judging, but may enter the competition in any other division.
10. Terriers owned by Stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. In the absence of a Conformation Judge, it is the responsibility of the Trial Chairperson to have the most qualified individual available to measure terriers. (Only measurements taken by a JRTCA Sanctioned U.S. Conformation Judge may be considered official JRTCA measurements; all other measurements apply only on the day taken. Official JRTCA height cards issued after 1999 must be honored.
12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation ring and may result in the exhibitor being excused from the class. "Excessive use" will be at the Judge's discretion.
13. Exhibitors participating in the JRTCA Working Terrier classes or Certificate Go-To-Ground/Super Earth must submit the appropriate JRTCA certificates with pre-entries or at the time of post-entry. The Judge may require a copy of the certificate be presented to the Ring/Den Steward at the time of judging. Registered terriers may submit a copy of NHC application signed by a JRTCA Working Judge within 30 days of the date it was issued.
- 14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered, and asked to leave the trial site.**
15. All dogs must be leashed or crated except when competition requires off leash work. No liberty leashes allowed. Flexi-leashes are strongly discouraged!
16. Overly aggressive dogs, or an owner's failure to control their dog, may result in disqualification at the discretion of the Judges or the Trial Chairperson.
17. The abuse of dogs or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.
18. Dogs other than JRTs on the grounds may be excluded or permitted at the discretion of the Trial Chairperson.
19. Exhibitors are responsible to double-check the classes they have entered and be on time. No refunds will be given for missed classes.
20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be obtained by contacting the JRTCA office 410-561-3655), or it can be downloaded from the JRTCA website ([www.therealjackrussell.com](http://www.therealjackrussell.com)).
- 21. Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated.** Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their sole and absolute discretion.
22. All dogs brought to JRTCA Sanctioned Trials must be current on vaccinations. No dogs of any age may be brought to a trial who have suspicion of contagious or infectious diseases.
- 23. THE JUDGE'S DECISION CONCERNING PLACEMENTS ARE FINAL IN ALL DIVISIONS.**

All perpetual trophies must be signed for before being released. They MUST be returned on or before the GCJRTN holds its 2018 Texas Two Step trials. People donate these trophies out of their own personal funds, often in memory of a Jack Russell Terrier or in honor of a close friend or family member, and they should be treated with the respect they are due. When all the nameplates on a perpetual trophy are filled in, the trophy is returned to the person who originally donated it. **You have the option of leaving it with the GCJRTN, and they will have the name plate engraved for you, or you can take it home with you.** If you choose to take it home, please keep your perpetual in good condition and treat it as the gift it is. ## **HELP SUPPORT OUR TROOPS**

Based on the past few years, Priscilla David is considering making this the last year for her Soldier's Table. The response has been less enthusiastic the past few years, and it takes a lot of work to set everything up. Priscilla dedicates a lot of time to helping and communicating with our men and women in the armed forces during the whole year, this is not something she does "just for our trials." With that said, the GCJRTN asks that you bring an item or two to donate to our troops. Priscilla will send these packages to our troops overseas. is NO PROFIT in this for our club; this is strictly in support of our troops.

***Monetary contributions or pre-paid USPS boxes are welcome - this helps Pris with shipping costs.***

*Many items, such as aerosol spray cans are not approved for shipping – so keep Safety in mind. However, the list of approved items is endless - use your common sense as well as your imagination. Be sure to send items that are well protected and will not melt, be crushed or crumbled.*

Think "travel size" and lightweight! Priscilla has plenty of motel sample, so please hold off on those. SMALL/LIGHT-WEIGHT BIBLES, hand sanitizers, notepads/pens, Wet-Wipes and/or Baby-Wipes, mini packs of SUNSCREEN, mini-toothpaste tubes, tooth brush/floss kits, disposable razor blades, eye drops, dominoes, combs & brushes. QUALITY female and male hygienic needs (they get the bottom of the line over there), pop-top canned food goods (Ravioli, Spaghettios, Chili, Mac & Cheese - check expiration dates!), trail bars, plastic eating utensils, magazines (hunting, sports, cars for guys/girly ones for the gals, crossword puzzles, foot powder/baby powder - anything to prevent chafing, beef jerky, snacks (sweet and salty). Individual powdered drinks, Gatorade, electrolytes, freeze dried meals, instant soups, nuts, DVD's, dog toys, extra club newsletters and issues of True Grit. Thank You cards would be nice as would personal messages of support, decks of playing cards, small hand-held games, disposable cameras, mouthwash, peppermints, water bottles with funnels, chap-stick, lotions, old cell phones that will be recycled, insect repellent wipes, and phone cards, are but a few suggestions. Due to extreme hot/cold temperatures, packaging is most

### IMPORTANT

The JRTCA is adamantly opposed to recognition/registration of the Jack Russell Terrier by ANY all-breed kennel club, as it is believed to be detrimental to the preservation of the working Jack Russell Terrier. In keeping with this policy, JRTCA membership is limited to individuals who support the JRTCA's principles. Registration of Jack Russell Terriers (or any variant thereof) with any all-breed kennel club, or membership in any organization that supports all-breed kennel club recognition/registration, is not acceptable for application to membership in the JRTCA.

The Jack Russell Terrier is a unique working terrier that has remained virtually unchanged for more than 100 years because it has been preserved for work. It is an unspoiled type or strain of working terrier with unique character, working ability, great intelligence, sound physical structure, and broad structural differences within the standard. These characteristics must be maintained to preserve this terrier as it remains today. The JRTCA's unique registry, with its strict inbreeding limitations and health requirements, breed standard, Breeders' Code of Ethics, and working certificate, sanctioned judge and field trial programs are all designed to do just that. All those who support the JRTCA's principles are welcome and encouraged to join the JRTCA and help us preserve this great little terrier.
